RACE DAY!

Cross training examples: Walk, Bike, Swim, Weight Lifting, Other Sports (Soccer, Ultimate Frisbee, Basketball, etc.)

Consider making Thursday a tempo run or other speed work

For a more advanced plan consider a track workout Wednesday with HOTV and flip-flopping Thursday/Friday

- This creates a plan running 4x per week

This is a very loose schedule. Take it and modify as needed to work with your life.

- The specific days are not as important as the number of days and the overall mileage per session
